

SYMBIOSIS SCHOOL OF PLANNING ARCHITECTURE & DESIGN, NAGPUR

Symbiosis International (Deemed University)

Induction Ceremony

(2019-20)

1st, 2nd and 3rd August 2019

SSPAD, Nagpur had organized its very first induction program for the Pioneer Batch of B.Arch. and B. Des. Students. The program was conducted at the sprawling seminar hall of the institute. As soon as it started the event took a ceremonial look in the presence of students, parents and our specially invited eminent guests. The 3 days program started with auspicious lamp lighting ritual by the hands of our chief guest of the day Ar. Ashok Mokha and Dr. Shrirang Altekar(Director, SIBM-Nagpur). It was then followed by the warm welcome of the guest, students, parents and all other attendees. As a mark of typical Indian culture of hospitality, lunch was offered to all the attendees present in the campus.

The lecture of different guests was scheduled for the 3 days' induction program.

Day 1: Arch. ASHOK MOKHA SIR

1/8/2019

On the first day after completion of the all rituals, Ar. Ashok Mokha, a distinguished orator overwhelmed the audience through his speech. Students in particular were astonished by his vast, innovative work. He projected some movies like "Michal Angelo" which was based on the real life story of an Italian Architect and a movie on Lego, a Denmark based company which is involved in the manufacturing of a line of plastic construction toys.

Day 2 : Arch. MUKUL KULKARNI SIR

2/8/2019

Ar. Mukul Kulkarni sir is a product designer and an architect. He has a vast professional and academic experience in his domain. He taught our students how to develop an eye of a designer in oneself. He asked students to look at the ordinary paper through a different perspective and prepare different objects from it.

SYMBIOSIS SCHOOL OF PLANNING ARCHITECTURE & DESIGN, NAGPUR

Symbiosis International (Deemed University)

Students were seen highly excited to perform this exercise and they could actually experience that imagination knows no bounds. The session key points were

- Product design
- Out of the box Imagination
- Question/Answer Session

Day 3 : Dr. T.S RAVAL SIR
3/8/2019

Dr. T. S. Raval, a dynamic personality who is a Chartered Accountant by profession is also a writer, and a wild life photographer. He has many prominent awards in his name. He shared his thrilling experiences of wild life photography and wisdom with us. Our students were enthused by his magnificent work and achievements. The session key points were

- Create a balance between career and passion
- Never stop learning
- Question/Answer Session

The basic idea behind this 3 days' induction program was to orient our new students and their parents about the method and culture of Symbiosis. Students were oriented about learning architecture and design and the future prospects in these fields.

Following faculties of the institute contributed in making this event memorable.

1. Dr. Nandini Kulkarni
2. Asst. Prof. Simrandeep Saini
3. Asst. Prof. Akshay Revekar
