Teachers' day

06/09/2019

Teacher's Day is celebrated in India to commemorate the birth anniversary of Dr. Sarvapalli Radhakrishnan on 5th September each year. Student council of the Symbiosis School of Planning Architecture and Design, Nagpur had organized an event to honor their teachers and celebrate the occasion of Teachers Day fervently. The program was held in the foyer of the institute. All the arrangements including audio system etc. and event planning was done by the students themselves.

In the beginning of the program some students delivered their speeches in which they showed their gratitude and respect for the teachers. Various innovative games and activities were held in which students were divided into 5 groups and teachers led their respective team. The students and faculties interacted in the games and activities in a very friendly and light hearted manner. Winners were rewarded with gifts and chocolates. It was then followed by cake cutting, snacks and beverages break. Following the refreshment, party songs were played on the audio system and students and teachers enjoyed dance together.

Overall there was an atmosphere of ravish and relish in the institute.
