## Swachhata Pakhwada

16<sup>th</sup> to 31<sup>st</sup> Jan 2020

एक कदम स्वच्छता की ओर

### Swachhta Pledge

Mahatma Gandhi had dreamed of an India which was not only free but also free clean and developed.

Mahatma Gandhi secured freedom for Mother India.

Now it is our duty to serve Mother India by keeping the country neat and clean.

I take this pledge that I will remain committed towards cleanliness and devote time for this.

I will devote 100 hours per year that is two hours per week to voluntary work for cleanliness.

I will neither litter nor let others to litter.

I will initiate the quest for cleanliness with myself, my family, my locality, my village and workplace.

I believe that the countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen.

With this firm belief, I will propagate the message of Swachh Bharat Mission in villages and towns.

I will encourage 100 other person to take this pledge which I am taking today.

I will endeavour to make them devote their 100 hours of cleanliness.

I am confident that every step I take towards cleanliness will help make my country clean.

Swachh Bharat Abhiyan is one of the most significant and popular missions to have taken place in India. Swachh Bharat Abhiyan translates to Clean India Mission. It served as a great initiative in making people aware of the importance of cleanliness and helped in creating solutions for proper waste management as well. When we will dispose of waste properly and recycle waste, it will develop the country. In order to honor Mahatma Gandhi's vision of a Clean India students of SSPAD organized a series of events during the swachhata pakhwada wherein their creative skills were met with a great initiative in making people aware of the importance of cleanliness.
