The SIU, Nagpur celebrated the Happy Healthy Campus activity on 8th February 2023 conducted by DSRW, Nagpur. The campus was filled with different colors in the form of various props of sports. The theme of this event was childhood games and the objective behind conducting this event is to recall our childhood memories that we lose with the age.

The campus was filled with small props in various pockets like Lagori, Tikkar Billa, Snake and Ladder, tug of war, spoon and lemon etc... And every pocket is filled with students and staff taking participation in various games. The activity started in second half of the day and the opening ceremony was done by the Director of SIT, Nagpur Dr. Mukesh Raghuwanshi with the presence of Air Commodore Sanjay VSM (Retired) and Dy. Director SSPAD, Nagpur Dr. Nandini Kulkarni.

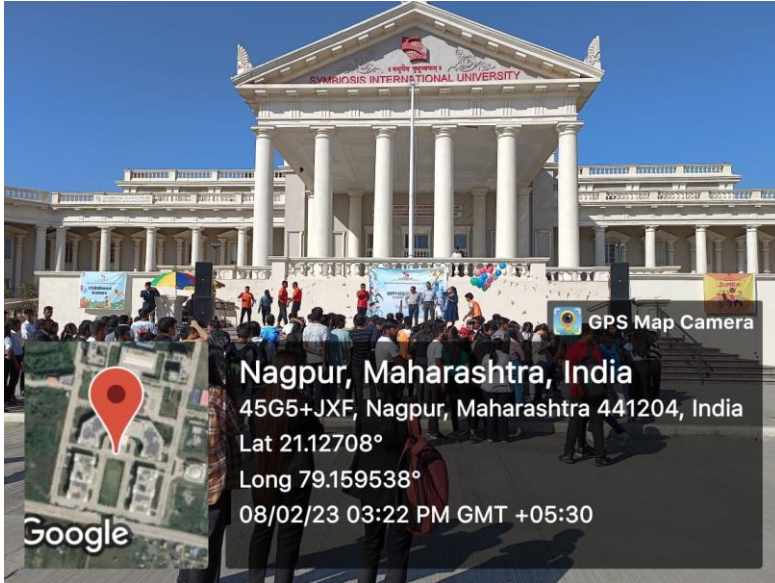

The activity started by a small session of Zumba where everyone involved in performing Zumba and then all the audience disperse in the campus as per their interest in the games. The assistant Director of DSRW, Nagpur Pawan Bisht has converted the energy of the students and staff at different level by conducting the Happy Healthy Campus activity. The enthusiasm of staff and students was remarkable as they enjoyed each and every game placed in different pockets and became kids while playing them.

It was truly a exciting activity conducted at SIU, Nagpur Campus which helped in breaking the monotony of daily activity. We all at Nagpur campus looking forward more Happy Healthy Campus Activity in coming days.
