Viksit Bharat @2047

(2023-24)

11/12/2023

“Viksit Bharat @2047” is the vision of Government of India to make India a developed country by the year 2047, the 100th year of Independence. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability and good governance.

The “Viksit Bharat @2047- Voice of youth” initiative provides a platform for the youth to actively contribute ideas and suggestions towards realizing the vision of a developed India by 2047. The platform is generated for the youth to come up with the creative and out of box ideas to make our country developed in true sense. The Symbiosis School of Planning Architecture and Design, Nagpur has organized a live telecast session of “Viksit Bharat @2047” for all the students and staff to listen the encouraging words by honorable Prime Minister Narendra Modi. This platform is eye opener for all the youth of the country where they start thinking about various factors which is important for the growth in various fields and the youth can choose their path to contribute in these various fields which is directly benefiting the country in indirect way. The Director of SSPAD Dr. Nandini Kulkarni also addressed the students to start thinking about environmental sustainability, the activities for the outreach program, social progress etc. and these could be achieved in their studio projects itself as the students belongs to Design and Architecture field, they can easily incorporate these concepts in their studio projects and can work towards making it feasible. She has also mentioned the students to work on tracing out certain strategies or identify the area where students are willing to contribute and can take up those topics in their studio projects and try to give their best in selected areas.
