13. Description of Event

The Symbiosis School of Planning, Architecture, and Design Nagpur, under the leadership of **Director Dr. Nandini Kulkarni**, successfully held the Industry-Academia Conclave 2024 on 18th October 2024. This crucial event took place offline at the SIU Auditorium. It was not just limited to SSPAD students; the event saw participation from aspiring designers and students from various schools and junior colleges in Nagpur, including attendees from students inside the SIU Nagpur campus. This initiative, organized by the Training and Placement Cell, was aimed at strengthening the ties between the industry and academia.

The conclave's primary goal is to bridge the gap between academic learning and industry needs by fostering collaborative research and creative ideation efforts. It provided students with a structured pathway to enter their chosen professions. One of the key highlights of the event was the opportunity for our students to gain industry exposure by interacting with various industry professionals through a roundtable Podcast. The event was a grand success, with over 300 participants engaging in the discussions and activities, benefitting from valuable insights and networking opportunities.

The event commenced with the ceremonial lighting of the lamp and a welcoming address from Dr. Nandini Kulkarni, the Director of SSPAD. Following this, HOD Dr. Purva Mange had shed light on the curriculum activities thorough out the semesters. Our guest for the event inaugurated the Student Portfolio Booklet for IAC'24 which presents the work of the students from various departments, namely B.Des. - Product Design, Graphic Design, Interior Space Design, and UI UX Design, from their final year. These academic projects serve as a crucial link, allowing SSPAD and the industry to bridge gaps by gaining insights into research areas through internships and sponsored thesis projects. All showcased projects were the result of the efforts of final-year B.Des. students, presenting an excellent opportunity for them to secure sponsored Graduation Project, Internships, and Placement prospects in the near future.

The conclave this year was illuminated by the insights of four distinguished guest speakers, each a luminary in their respective fields. **Mrs. Kalyani Ingole**, a UX Designer at Philips

Innovation Labs, shared her vast experience in user research and design, emphasizing the importance of emotional connections in design. With a background, that spans prestigious roles at companies like Samsung and Trimble, and an academic foundation in Electronics, Media Design, and HCI/AI from NID and the University of Cambridge, Mrs. Kalyani's work, including her contribution to an empathy project for autism, underscores her commitment to human-centered design.

Mr. Atul Khola, UI/UX Maverick at CRED and founder of DesignDrug.co, brought his rich experience in creating engaging user experiences across various industries. His journey through organizations like Media.net and Jabong highlights his ability to craft meaningful designs that resonate with users.

Mrs. Ritu Chanekar, Principal Architect at Ritu & Associates, celebrated for her boutique designs in residences and resorts, shared her philosophy of blending old-world charm with contemporary elegance, drawing on historical styles and local craftsmanship to create spaces that reflect modern comfort while connecting with cultural heritage.

Mr. Shivaji S Dhawad, COO of InFED, IIM Nagpur, discussed his role in fostering innovation and supporting startups, emphasizing the importance of creating a vibrant entrepreneurial ecosystem and his success in raising significant funding for innovation. Mr.Dhawad realistic words encouraged students to break the boundaries and dive into the gamut of entrepreneurship.

Together, All these speakers enriched the conclave with their diverse perspectives, making it an enlightening experience for all attendees.

Each guest speaker Was interviewed by our Alumni Moderator Ms. Sneha Taori She is the world record holder of the youngest Dale Carnegie and JCI certified trainer. She elevated each conversation with her expertise in digital media literacy and business strategy.
